18th October 2018

Dear Parents/Carers,

Parent View

We are due to be re-inspected by Ofsted this academic year and they will ask us to gather views of parents on the day of their inspection but we would be grateful if you could complete the very brief Parent View survey of 12 multiple choice questions online at this point to ensure we receive a high response rate. We do really hope that you are pleased with us and that you will support us by responding positively, but whatever your view is, it is important to gather it! If you have any concerns or queries, we would like for you to contact us so we can help to resolve any issues in a timely manner prior to you completing the survey.

To complete the Parent View survey:

- Visit www.parentview.ofsted.gov.uk
- Register or Log In
- If you are registering for the first time, they will send a link to your email address to create a new password
- They will ask you to enter your child's school name
- Follow instructions on the screen to complete the survey

Gen Verde

A group of 12 international artists and performers whose purpose is to offer our students the opportunity to break down barriers of prejudice and celebrate diversity, peace, collaboration and self-esteem will be coming to Notre Dame to lead a project called 'Start Now'. Students who have opted to participate will take part in workshops and rehearsals across the week ahead of their final performance piece alongside Gen Verde members. Please support our students and Gen Verde by purchasing your tickets to watch the performance at 7pm on Friday 9th November 2018 at Notre Dame. Call 01752 775 101 or email info@ndonline.org for tickets. Ticket prices are £10 for adults and £5 concessions for Under 16s.
