Dear Staff, Parents/Carers and Students,

Change to the length of the school day from September 2020

I am writing to inform you that from September 2020 we will be changing the finish time of the school day.

The change will mean that lunch time is 5 minutes shorter, and therefore, the end of the school day is 5 minutes earlier. There will be no change to the length or number of lessons per day. The current and new times are shown below and changes have been highlighted by blue text.

The change will result in school finishing at 3.20pm, instead of the current finish time of 3.25pm. This is to align Notre Dame and St Boniface's school day timings. We have informed City Bus who run a number of services that come directly onto the school site, and they have advised that they are able to accommodate this change.

Please be assured that these changes will not have any impact on the number of hours of learning that your child receives.

Yours sincerely,
